Hi all,

We are currently updating our CORC webpage so that we can keep you well informed about what is happening in the club. We will be putting race results and news items on more regularly after each race meeting so that more people have access sooner. In order to put more back into the club track and facilities we are trying to cut back on expenses, hence the new style of newsletter. In future we will be emailing this to members. If you don't have access to emails, please let us know and we will still mail you a copy of what is happening.

We'd like to wish all the mothers a very Happy Mother's Day for 13th May. We hope you have a fantastic day. To all those members who have rejoined this year, we appreciate your support and wish you a successful year of riding ahead. To your families who travel around with you (some every weekend), we wish you safe travel. Hope to catch up with you soon.

Thanks, Deb

News From Away

Our club has been well represented recently with riders travelling to the first two rounds of Amcross at Wagga in March and Bega in April. We had some great results with fantastic riding by all involved and these can be seen at www.mdmcs.com.au and click on the Amcross links.

New Calendar

The club is revising its calendar, due to licensing dramas and the need for specialised stewards to attend our events. When it is complete we will have it available on our website www.corc.org.au.

Round 1 - 11th March Motox at Carlaminda

We had a great turnout for our return to racing this year. There were a lot of new faces and we hope you all had a great day. We'd especially like to thank Kieran Harris for being our steward for the day. The write-up from this event can be found on our webpage. It is compliments of Chris Allen of Mayhem-Images. Chris and Rob can be found at the track at each of our events taking a huge variety of photos which can be found on their webpage www.mayhem-images.com and click on the Cooma links.

Round 2 - 15th April Motox at Carlaminda

What a fantastic day we had. There were quite a few new faces on the podium and the return of some others who haven't been there for awhile. A huge thanks to Shane Anderson for his stewarding on the day. The kids are always great to watch as their enthusiasm never stops. Writeup on the webpage.

Round 3 - 20th May Motox at Carlaminda

Our next round will be at Carlaminda, not the new track just yet, but we are working on it. It will be a junior and senior Motox. Sign-on will be from 7am. We hope to see you all there.

Round 4 - 1st July Grasstrack at Colinton

Don't forget to get in your entries for Round 4 at Colinton, our grasstrack, kindly lent to us by brothers Nic and Con. The entry form is on our webpage by clicking on the forms page. Thanks to those who have already sent theirs. We are hoping for a really big day. Thanks to those who are setting up the track. There will be working bees on June 23rd and 30th in order to get this track ready for riding. All help will be greatly appreciated.

Moss School - Saturday 26th May

There is a scheduled Moss School for Saturday 26th May for all bike sizes for juniors wishing to complete their 5 hours compulsory training or "kick start" requirements for those kids wanting to compete in racing this year. This is a great opportunity for kids to get extra tuition in order to improve their riding skills.

New Track Opening

The new track is still undergoing some changes and will be inspected soon for licensing. Our grand opening is scheduled for 19th August with a huge day planned for all. We will keep you informed as soon as it is available to be ridden on. There are some working bees planned in order to complete it. If you are available to help contact Jim Phillips on 64526252. It would be greatly appreciated, 26th and 27th May is planned.

Sponsors

This year we welcome some new sponsors to the club. We are excited to have them join us: **Cooma Auto Electrics** (Junior Encouragement Award); **South East Tiles & Bathrooms** (Lites); **Auswide Projects** (All Powers).

Returning again this year are: **Spic & Span Cleaning** (Nippers); **Bracher Timber** (Pee Wee Div 2); **High Country Haulage** (65cc 7-u10yrs); **Coffey's Hotel** (65cc 10-u13yrs); **Kevin Biilmann Builder** (80cc Std); **Pinus Sawmills** (85cc 9-u12yrs); **Perisher Blue** (85cc 12-u16yrs A); **The Drover's Rest** (85cc 12-u16yrs B); **Norton's Building Supplies** (Jnr 125cc); **High Country Motorcycles** (Over 200cc 2St); **Monaro Joinery** (Over 250cc 4St); **Kraft Earthmoving** (Over 35's A); **Benny's Bobcat & Excavation Services** (Over 35's B); **Flynn's Wrecking Yard** (Female Encouragement Award); **Mack's Auto & Tyre Service** (Senior Encouragement Award).

To all our sponsors, we wish you a very prosperous and safe year ahead. We value your support greatly and encourage our members to support your businesses also.

Government Volunteers' Grant

We have been very fortunate to receive a grant of \$2900 from the government in order to help volunteers. It is to assist in the purchase of a generator and porta-shade for our race days and working bees. We'd also like to say "a huge thankyou" to **Cooma Ex-Services Club** for their contribution in towards our purchases as the grant did not fully cover these items. They have generously supported our Club this year and we appreciate their help. Call up there for a great meal and friendly atmosphere.
